Achieve Life Cycle Management Success: Keys To Success

Life Cycle Support Planning

- **Logistics Planning Up Front**
  - **Reliability/Maintainability**
  - **Logistics System Engineering (LSA)**
  - **Support Cost (LCC)**
  - **Modeling and Simulation**
  - **Weapon System Capabilities**
- **Design for sustainment**
- **Support Concept includes**
  - **Organic Support**
  - **CLS**
  - **PBL/PDO**
  - **Strategic Partnering**
- **Constant Updating For Change in Requirements**
  - **Modification**
  - **Technology Insertion**
  - **Spiral Development**

NEXT LEVEL

PBL

- **BCA**
- **Defined Metrics**
  - **Measurable**
  - **Objective vs. Subjective**
  - **Designed To Meet System Capabilities**
- **Long Term Support**

Strategic Partnering

- **Best Practices**
- **USG Title 10**
- **Long Term Support**
- **Partnering in all Logistics Area**
